Permanent Memorandum No. 73 (PM-73)

Effective June 18, 2014

F. King Alexander, President

TITLE IX AND SEXUAL MISCONDUCT POLICY

TITLE IX AND SEXUAL MISCONDUCT

In accordance with Title IX and other applicable law, Louisiana State University ("LSU") is committed to providing a learning, working, and living environment that promotes integrity, civility, and mutual respect in an environment free of discrimination on the basis of sex and sexual misconduct which includes sex discrimination, sexual harassment, dating violence, domestic violence, sexual assault, stalking and retaliation. LSU prohibits sex discrimination and sexual misconduct. This policy applies to all persons without regard to sexual orientation, gender identity and/or gender expression.

Sex discrimination and sexual misconduct violate an individual’s fundamental rights and personal dignity. LSU considers sex discrimination and sexual misconduct in all of its forms to be serious offenses. This policy has been developed to reaffirm these principles and to provide recourse for individuals whose rights have been violated. This policy establishes a mechanism for determining when rights have been violated in employment, student life, campus support services, LSU programs and/or an academic environment.

Nondiscrimination Notice

LSU does not discriminate on the basis of race, creed, color, marital status, sexual orientation, gender identity, gender expression, religion, sex, national origin, age, mental or physical disability, or veteran's status in its programs and activities and provides equal access to its
programs and activities. Inquiries regarding the non-discrimination policy should be directed to the individual or individuals designated in each campus' applicable policy.

I. JURISDICTION

A. This policy shall apply to conduct that occurs on an LSU campus, at LSU sponsored activities, and/or when the Student or Employee is representing LSU. LSU shall have discretion to extend jurisdiction over conduct that occurs off campus when the conduct adversely and significantly affects the learning environment or LSU community and would be a violation of this policy and/or any applicable campus policy or code of conduct, if the conduct had occurred on campus. In determining whether or not to extend jurisdiction, LSU may consider, among other factors, its ability to gather information and effect a resolution. LSU may extend jurisdiction (over off-campus conduct) if the alleged conduct by the student or employee:

1. Involved violence or produced a reasonable fear of physical harm; and/or
2. Involved any other members of the LSU community or any academic work, records, documents, or property of LSU.

B. Each Student shall be responsible for his/her conduct from the time of acceptance for admission through the actual awarding of a degree.

C. Employees are responsible for their conduct during work hours, on campus, at LSU-sponsored activities, and/or when the employee is representing LSU, or when their conduct would adversely affect LSU's image, regardless of whether such conduct occurs on-campus or off-campus.

D. This policy also applies to any person who is both a student and an employee at LSU, arising out of, or in connection with, conduct in either or both of those capacities. Any violation of this policy may subject such person to disciplinary action, as applicable, in either or both of those capacities.

II. DEFINITIONS

"Advisor of Choice" A Student or Employee has the right to have one Advisor of his/her choice present during any meeting conducted under this policy. The Advisor may not have personal involvement regarding any facts or circumstances of the alleged misconduct. The Advisor's only function shall be to assist and/or consult with the Student or Employee. The Advisor may not act as a spokesperson. The Advisor may be an attorney but participation shall be limited, as stated above.
“Consent” means the affirmative and voluntary agreement to engage in a specific sexual activity during a sexual encounter. (2) For the purposes of complying with Title 34 CFR 668.41, any incident meeting this definition is considered a crime for the purposes of Clery Act reporting.

“Hostile Environment” includes conduct of a sexual nature that is sufficiently severe, persistent, or pervasive to limit a student’s or employee’s ability to participate in or benefit from the education program or from one’s employment, or to create a hostile or abusive educational or work environment.

“Incapacitation” includes a person’s inability to provide consent due to the use of drugs or alcohol, when the person is asleep or unconscious, or because of an intellectual or other disability that prevents the student or employee from having the capacity to give consent.

“Responding Person” includes any student or employee against whom a complaint under this policy has been made for an alleged violation of this policy.
“Responsible Party” includes any employee: who has the authority to take action to redress sexual violence or who has been given the duty of reporting incidents of sexual violence or any other misconduct by students or employees to the Title IX coordinator or other appropriate school designee; or whom a student or employee could reasonably believe has this authority or duty; or any student employees.

“Sexual assault” is any type of sexual contact or behavior that occurs without the explicit consent of the recipient. Sexual assault includes sexual activities as forced sexual intercourse, forcible sodomy, child molestation, incest, fondling, attempted rape, and includes sexual acts against people who are unable to consent either due to age or incapacitation.

“Sex Discrimination” includes behaviors and actions that deny or limit a person’s ability to benefit from, and/or fully participate in the educational programs, activities, and services because of a person’s gender.

“Sexual Harassment” includes unwelcome sexual advances, intimidation, requests for sexual favors, and other verbal or physical conduct of a sexual nature when: (1) submission to such conduct is made either explicitly or implicitly a term or condition of employment, academic status, receipt of university services, participation in university activities and programs, or affects the measure of a student’s academic performance; or, (2) submission to or rejection of such conduct is used as the basis for a decision affecting employment, academic status, receipt of services, participation in university activities and programs, or the measure of a student’s academic performance; or, (3) such conduct has the purpose or effect of unreasonably interfering with employment, academic performance and is severe, persistent, or pervasive and/or creates an intimidating, hostile, or offensive work or educational environment.

“Sexual Misconduct” includes any sexual act or contact of a sexual nature that occurs, regardless of personal relationship, without the consent of the other person(s), or that occurs when the person(s) is unable to give consent or whose consent is coerced or obtained in a fraudulent manner. Sexual misconduct includes, but is not limited to, unwanted sexual contact with an object without consent and/or by force, video voyeurism, violence of a sexual nature, sexual abuse, non-consensual sexual intercourse, sexual exploitation, sexual assault, and obtaining, posting, or disclosure of intimate descriptions, photos or videos without express consent of the other person(s).

“Stalking” includes: (1) Engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for the person’s safety or the safety of others; or suffer substantial emotional distress. (2) For the purpose of this definition course of conduct means two or more acts, including, but not limited to, acts in which the stalker directly, indirectly, or through third parties, by any action, method, device, or means follows, monitors, observes,

Substantial emotional distress means significant mental suffering or anguish that may, but does not necessarily, require medical or other professional treatment or counseling. Reasonable person means a reasonable person under similar circumstances and with similar identities to the victim.

III. TITLE IX COORDINATORS

The President shall designate the LSU Title IX Coordinator who shall be responsible for the implementation, enforcement, and coordination of Title IX for LSU. The Chancellor of each Campus shall designate a Campus Title IX Coordinator with designated responsibilities to oversee on-campus Title IX compliance.

The President also shall designate a Deputy Title IX Coordinator for Athletics. In consultation with the Chancellors and Athletic Directors for each campus, this individual will monitor sports equity, including offerings, participation, and scholarships on all campuses for compliance with Title IX. Any investigations or complaints involving student athletes or Athletics personnel (other than those involving sports equity) shall be handled and/or investigated by the LSU Title IX Coordinator and/or the Campus Title IX Coordinators, or their designee, as appropriate under the circumstances and in accordance with this Policy.

IV. INITIATION OF COMPLAINTS

A. Application

This policy applies to all campuses and other administrative units. These procedures may be supplemented by more specific campus procedures that are consistent with this Policy and PM-55.

B. Complaints

Any student or employee who believes that he or she has been subjected to discrimination, harassment or sexual misconduct or any other violation of this policy has a right to report the conduct to the Campus Title IX Coordinator or to any other responsible party which includes: the campus administrator with responsibility for human resource management, student conduct or the department head of the relevant academic department. Persons who may have experienced criminal sexual misconduct are strongly encouraged to report the offense to campus police or local law enforcement, as well as to the Campus Title IX Coordinator or the persons named above. To the extent possible, the complainant and those who receive the complaint should preserve evidence
and not disturb the potential crime scene. The complainant, however, has the legal right not to provide a statement to campus police or law enforcement.

C. Notification of Complaints

Any person who receives a complaint under this policy shall promptly notify the Campus Title IX Coordinator, who shall be responsible for notifying LSU Title IX Coordinator and any campus administrators, who may be involved in the resolution process. Any supervisor, who witnesses or receives a report or complaint, shall notify the Campus Title IX Coordinator.

D. Interim Measures

At any time after becoming aware of a complaint, the Title IX Coordinator may recommend that interim protections or remedies for the parties involved or witnesses be provided by appropriate LSU officials. These protections or remedies for the parties involved or witnesses will be provided by appropriate University officials. Remedies may include separating the parties, placing limitations on contact between the parties, interim suspension, or making alternative workplace, classroom, course scheduling, dining, or student housing arrangements.

E. Confidentiality

All parties involved in a complaint, any investigation, and/or resolution, including witnesses, shall keep information concerning the complaint private and shall be notified of this obligation. Only individuals employed as mental health counselors, victim’s advocates and university chaplains can guarantee confidentiality. LSU may be required to divulge information on a need-to-know basis in order to properly address the complaint or pursuant to subpoena, or other court or administrative order, or as may be required by applicable law. Violations of confidentiality, if identified and confirmed, may result in disciplinary or corrective action.

V. PROCESSING OF COMPLAINT

A. Initial Review

The Campus Title IX Coordinator shall conduct or supervise the initial review of the complaint, with such assistance, as needed and/or appropriate under the circumstances, from other campus administrators with responsibilities relevant to the nature of the complaint. A responding or complaining student or employee has the right to one advisor of choice at any stage of this process. The initial review of the complaint shall be concluded as quickly as possible, within a
reasonable amount of time required to complete the review in a manner that is adequate, reliable, and impartial.

To ensure a prompt and thorough initial review, the complainant should provide as much of the following information as possible. A complaint may be submitted anonymously or by an individual who is not a party to the alleged violation. This may, but is not required to be, provided in writing:

- The name, organization, department, and position of the person or persons allegedly violating this Policy;
- A description of the incident(s), including the date(s), location(s), and the presence of any witness(es);
- If the complainant is an employee, the alleged effect of the incident(s) on the complainant’s position, salary, benefits, promotional opportunities, or other terms or conditions of employment;
- The name(s) of other student(s) or employee(s) who might have been subject to the same or similar conduct; and/or
- Any other information the complainant believes to be relevant to the alleged sexual misconduct, discrimination, harassment, or retaliation.

B. Resolution Procedures

The University has both an informal and formal resolution procedure for alleged violations of this policy. Both procedures will be implemented by individuals who have received training on issues related to sex discrimination and sexual misconduct. The complainant and the responding student or employee has the right to one advisor of choice at any stage of the Informal Resolution or Formal Resolution processes.

As set forth below, an informal resolution procedure is available under certain circumstances. After the initial review or a full investigation, if the investigator finds that reasonable cause exists to believe that this Policy has been violated, the Campus Title IX Coordinator or designee will determine whether the informal resolution procedure is appropriate. If it is not appropriate, a full investigation is required.

If the Campus Title IX Coordinator or designee determines that informal resolution is appropriate, the complainant and responding person shall be advised of the informal resolution procedure. If both consent in writing, the informal resolution procedure will be followed, without further investigation, unless and until informal resolution is unsuccessful.
A determination that there is not reasonable cause to believe that this Policy has been violated can be made only after full investigation. Such determination is subject to the approval of the Campus Title IX Coordinator or designee. In such case, the complainant, by written request, may have that determination reviewed by the LSU Title IX Coordinator, whose decision shall be final.

1. Informal Resolution

The use of the informal resolution procedure is optional and must be agreed upon by all parties involved. The formal procedure will be followed: if any of the persons involved in the complaint do not wish to engage in the informal procedure; if the Campus Title IX Coordinator deems the informal procedure inappropriate for the alleged offense; or, if an attempt to utilize the informal procedure has been unsuccessful. Informal procedures are not appropriate for, or applied in, cases involving violence or non-consensual sexual intercourse. Information obtained regarding the complaint will be treated as privately as possible, with only those with a need to know being informed of the complaint. Both informal and formal resolution procedures will utilize a preponderance of the evidence standard, throughout the process, with respect to determinations as to whether, or not, there has been a violation of this Policy.

An attempt to informally resolve the complaint shall be made or supervised by the Campus Title IX Coordinator and should be concluded within sixty (60) calendar days of the decision to pursue informal resolution. Such informal resolution can include meeting with each party to the complaint; review of any initial findings; recommending reassignment, separation or monitoring of the parties; a mediated or facilitated meeting with the parties (however, no complainant shall ever be required to meet with the responding person in an informal resolution); and any other actions deemed appropriate by the parties and LSU. Any further inquiry or review deemed necessary should be concluded in that same period. Once the informal resolution procedure is complete, written notification of the proposed resolution shall be given to all parties. Any party dissatisfied with the outcome of the informal resolution procedure has the right to make a written request, within fifteen (15) calendar days of written notification of the proposed resolution, to the office of the Campus Title IX Coordinator, that the formal resolution procedure, set forth below, be pursued.

2. Formal Resolution: If any party is unsatisfied with the outcome of the informal resolution process or if LSU, the accused, and/or the complainant have not consented to and/or determined that informal resolution is inappropriate or insufficient, the formal procedure will be utilized.

In such cases, at the recommendation of the Campus Title IX Coordinator and after an initial review, a trained investigator will conduct a full investigation into the facts and circumstances of the complaint. The investigation may include in-person interviews with all parties involved and interviews of any direct witnesses. Both parties will be given the opportunity to identify
witnesses to be interviewed. The investigator may also collect and review any documents or other relevant information to include but not limited to photographs, video recordings, or other social media. All parties to the complaint will be provided written notice regarding the details of the alleged violation of this Policy prior to the initiation of the full investigation. All parties will have an opportunity to identify pertinent evidence to be considered by the investigator. The investigator will present a written investigative summary, based on a preponderance of the evidence standard, and will submit the summary to the Campus Title IX Coordinator and the LSU Title IX Coordinator, who will notify the appropriate Campus offices. Any such investigation shall be conducted by the Campus Title IX Coordinator or a trained person, authorized and assigned as an investigator by the Campus Title IX Coordinator, including, but not limited to, trained employees from human resource management department or the , student services or student life department, or other qualified University employees.

The complainant and the individual who is the subject of the complaint will be notified in writing of the results of the investigation. Information obtained regarding the complaint will be treated as confidentially as possible (as set forth herein) with only those with a legitimate educational interest being informed of the complaint and the outcome of the investigation.

The formal procedure will consist of a formal review of all allegations presented by the complainant and the results of any investigation. Each Campus shall adopt procedures for Formal Resolution of complaints of violation of this Policy that afford both the complainant and the responding person due process. The Campus procedures for resolution of such complaints shall be subject to review and approval by the LSU Title IX Coordinator.

C. RESOLUTION/DISCIPLINARY ACTION

LSU will take appropriate action against any person found to be in violation of this policy. (Note: violations of this policy may subject an individual to civil or criminal liability under the state or federal law).

When an employee is deemed to have violated this policy, the Campus Title IX Coordinator and Human Resource Management will jointly determine the appropriate disciplinary action, or recommendation for disciplinary action, up to and including dismissal, in accordance with applicable laws, rules, and/or LSU policies.

For violations involving students, except when acting in the capacity of an employee, the appropriate campus office for student services or student life will determine the appropriate action, pursuant to any applicable code of student conduct and/or policy/policies governing student conduct.
In addition, to the extent possible, LSU will interact with appropriate law enforcement or third parties to address the actions of non-students or non-employees.

Violations of this Policy may result in outcomes such as residential life contract cancellation, deferred suspension, suspension, expulsion, class only restriction and separation of employment (student).

D. **COOPERATION WITH LAW ENFORCEMENT**

LSU will comply with law enforcement requests for cooperation and such cooperation may require LSU to temporarily suspend the fact-finding aspect of a Title IX investigation while the law enforcement agency is in the process of gathering evidence. LSU will promptly resume its Title IX investigation as soon as notified by law enforcement that it has completed the evidence gathering process. LSU may provide up to 10 calendar days to allow for the law enforcement agency criminal process/investigation to unfold prior to resuming the fact-finding aspect of the Title IX investigation.

The University will implement appropriate interim steps/remedies during the law enforcement agency’s investigation to provide for the safety of the complainant and the campus community and the avoidance of retaliation.

E. **REPARATION**

Retaliation against a person who has been subjected to sexual discrimination or sexual misconduct, or against one, who in good faith brings a complaint of sexual discrimination or sexual misconduct or who, in good faith, participates in the investigation of a sexual discrimination or sexual misconduct complaint, is prohibited and shall be a violation of this policy and shall constitute misconduct subject to disciplinary or other action, as described above. LSU will take steps to prevent recurrence and remedy the effects of any violation of this Policy.

F. **RECORD KEEPING**

Records will be kept in accordance with Louisiana law and federal law. For students, records will be kept for 7 (seven) years, except in cases of cases of suspension and expulsion, which records shall be permanent. Employment actions in violation of this policy will be filed in the employee/s’ respective Employee Relations file.
G. OTHER ASSISTANCE

Campuses and the communities in which they are located can provide other assistance to persons impacted by a violation of this policy. Each campus will develop and maintain a list of departments, programs/services, or community-based agencies offering assistance to students and employees concerning issues related to this policy.

H. PREVENTION PROGRAMS

Campuses and the communities in which they are located regularly offer educational programs and prevention programs designed to inform the campus or community on the negative impact of sexual violence. Each campus will develop and maintain a list of educational programs, prevention programs, and other events designed to reduce the incidence of sexual violence on campus or within the community. Each campus should identify and include a bystander intervention program and programs addressing issue related to this policy.

I. RELATED POLICIES

To the extent other LSU or campus-based policies may conflict with this policy, the provisions of this policy shall supersede and govern.
